

Title	
	Consultation on “ DRAFT REPORT ON ALTERNATIVE (NON-ANIMAL) METHODS FOR COSMETICS TESTING: CURRENT STATUS AND FUTURE PROSPECTS - 2010 ”
Policy field(s)	Internal Market
Target group(s)	All citizens and organisations can contribute to this consultation.
Period of consultation	
	From 23 July 2010 to 15 October 2010
Objective of the consultation	
	<p>The Commission would like to consult the public on the five chapters of the “Draft Report on Alternative (non-animal) methods for cosmetics testing: current status and future prospects - 2010”. The focus of the consultation is to ensure that each chapter correctly reflects the current state of the art and the prospects.</p> <p>In 2011, the Commission will have to inform the European Parliament and the Council in case alternative methods to animal testing will not be developed and validated before 2013 for the remaining endpoints that are exempted from the Cosmetics Directive's marketing ban until 2013 (for details see attached consultation document).</p> <p>To this end the Draft Technical Report that is the subject of this consultation has been elaborated by experts proposed by the different stakeholders and chaired by the Commission's Joint Research Centre.</p>
